

# iPad Charge & Store Cabinets

## Compact, economical and with cable management

The zioxi iPad and Tablet cabinets provide the ability to store and charge 4, 10 or 12 iPads and USB tablets - with USB cables presented and retained at the front.

### Key features:

- Charge using the device AC adapters or the zioxi supplied intelligent USB power module, all secured away in the separate electrical compartment (behind the green panel)
- Large shelf size to accommodate any standard case design
- Our unique cable management presents only a short length of retained USB cable at the front - so cables are all neat & tidy, very simple to connect and can't go missing
- Lockable door folds back 270 degrees, so right out of the way
- Choice of solid or glass door
- Choice of key, digital code or RFID access card based lock
- Pilot fixing holes provided for securing to a horizontal surface (fixings not supplied) or optional wall mount bracket with security bolt kit
- Smooth, easy to clean surfaces

CHRGC-IP-10-K	Storage and charging for 10 iPads and Tablets. Lockable door with key lock.	44w x 42d x 47h
CHRGCU-IP-10-K	Storage and charging for 10 iPads and Tablets. Lockable door with key lock. Integrated USB power module (no need for AC power adapters)	44w x 42d x 47h

CHRGC-TB-12-C	Storage and charging for 12 iPads and Tablets. Lockable door with digital code lock.	44w x 42d x 56h
ICAB-WALLFIX	Wall mount fixing kit including wall security bracket (for 10 & 12 bay cabinets only)	

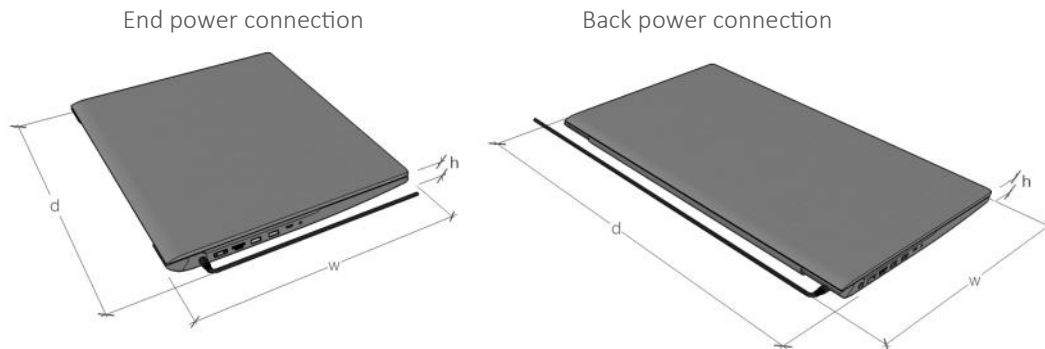

# iPad Charge & Store Cabinets

## Shelf dimensions:

The iPad Charge & Store Cabinets are designed to accommodate all iPad variants, USB Android and Microsoft Tablets and eReaders in any combination. The shelf slot size (mm) is 310d x 210w x 37h —big enough for pretty much all devices, even in their cases, but best to check your device & case dimensions before ordering (don't forget to allow for the power connector).

Construction	White melamine-faced MDF carcass and doors, extruded plastic shelves, green metal electrical compartment door.
Charge only models	Requires 1 external power socket. The Charge only cabinets support “plugtop” AC mains power adapter & plug designs for UK, EU and other country plug sockets. Not suitable for Tablets which have a separate laptop “brick” style power adapter (the <b>ziox</b> i Chromebook Charging Cabinets are good for these).
Warranty	5 years (2 years for electronics)
